## FOREWORD

1. The Register of the United States Air Force is authorized by section 122 of title 10, United States Code. It is published to provide an official reference for use by Air Force activities, other Government agencies, and the general public.

2. Volume I of the Register contains the Active Lists and Volume II the Retired Lists.

3. The source of data for Volume I is the Uniform Officer Record (UOR). The information contained in the UOR is stored, retrieved, and updated electronically by means of the Personnel Data System—Officers (PDS–O). The basic information for each officer listed is reflected also in field personnel records and in punch cards maintained within the Consolidated Base Personnel Office (CBPO). Each active duty officer and warrant officer whose name appears in Volume I can verify his entry at base level, and his personnel officer can take action to correct errors and omissions as outlined in AFM 30–3.

*General, U.S. Air Force,*
*Chief of Staff.*

OFFICIAL:
